ABHISHEK RATHOR

Frontend Developer | CSE (Data Science) Student

Greater Noida / Delhi NCR, India | github.com/pride87 | linkedin.com/in/abhishek-rathor-dev/

PROFESSIONAL SUMMARY

Computer Science & Engineering student specializing in Data Science at ABES Engineering College.
Passionate about frontend development, web technologies, data analysis, and problem solving.
Proven experience building responsive MERN stack and React.js web applications, and actively participating in competitive programming and Smart India Hackathon (SIH).

EDUCATION

B.Tech in Computer Science & Engineering (Specialization: Data Science) 2024 - 2028
ABES Engineering College | CGPA: 6.7

Class XII (CBSE) - 67%
Arya Kama Public School, Greater Noida

Class X (CBSE) - 64%
Arya Kama Public School, Greater Noida

TECHNICAL SKILLS

Programming Languages:	Java, Python, C, C++, JavaScript
Web Development:	HTML, CSS, JavaScript, React.js, Node.js, Express.js, REST APIs
Databases:	MongoDB, MySQL
Data Science & ML:	Pandas, NumPy, Matplotlib, Scikit-learn, Data Analysis
Tools & Platforms:	Git, GitHub, VS Code, Jupyter Notebook

PROJECTS

- **ChatApp (MERN Stack)**
  MERN stack-based chat application developed for online real-time communication and photo sharing with responsive UI.
- **College Academic Portal (MERN Stack)**
  Academic management portal supporting attendance tracking, assignment management, and centralized academic activities.
- **AI Resume Builder (React.js, JavaScript, HTML, CSS)**
  AI-focused resume builder interface designed to help users create professional, recruiter-ready resumes.
- **Food Delivery Application (React.js, CSS)**
  Responsive food delivery frontend application with food categories, food cards, navigation, and interactive UI.

LEADERSHIP & ACTIVITIES

Smart India Hackathon (SIH) - Frontend Developer

- Designed and developed responsive, reusable frontend components using HTML, CSS, JavaScript, and React.js.
- Implemented smooth navigation, integrated frontend with backend APIs, and enhanced UI/UX performance across devices.

CERTIFICATIONS & ACHIEVEMENTS

- AWS Academy Graduate – Cloud Foundations
- Getting Started with Artificial Intelligence | Troubleshoot your code using IBM Bob
- CodeChef: 183 Problems Solved, 16 Contests (Rating: 931, 1 Star / Rookie League)
- LeetCode Profile: leetcode.com/u/58NiGi24S7/
